

MINDFUL SHAPES YOGA

UNDERSTANDING MEDITATION

THE RIG VEDA PERIOD,

ACHIEVING THE UNACHIEVED" WAS REFERRED TO HAS YOGA. PEOPLE PRACTISE MEDITATION TO UNDERSTAND "THE SELF" WHICH IS VERY HARD TO ACHIEVE BECAUSE THE NATURE OF SELF IS UNKNOWN. FORTUNATELY, ONE FACT SEEMS TO HAVE BECOME FULLY RECOGNISED BY NOW, THAT IS, THE SELF IS NEITHER THIS PHYSICAL BODY NOR THE MIND, BOTH OF WHICH ARE KNOWABLE & TRANSITORY. THE SELF IS SOMETHING UNKNOWN & UNCHANGEABLE.

IT IS SAID IN BRHADARANYAKA UPANISHAD - THAT IT IS THE DUTY OF EVERY INDIVIDUAL TO INVESTIGATE ITS TRUE SIGNIFICANCE & IF POSSIBLE TO ATTAIN THE REALISATION OF THIS SELF. THE YOGIN DEFINE THIS PROCESS HAS ANTARADRSTI WHICH LITERALLY TRANSLATES TO INNER GAZING. THUS WE ARE TOLD BY THE YOGIS THAT THEY "SEE WITH THEIR OWN EYES" (NETRE DRSTUM).

MEDITATION IS THE PROCESS IN ACHIEVING THIS LOFTY GOAL.
